

## Wilderness Day Camps Info:

### About the Camps:

This outdoor based camp is for 7 – 12 year olds, with a small ratio of campers to leaders. *We'll focus on wilderness and survival skills, outdoor education, and activities that allow them to explore their natural environment at their own pace.* The camps take place at the **Learning Centre**, where there are 190 acres of forest land to discover.

Some of the programming includes:

- Leave No Trace Workshops
- Wilderness First Aid
- Primitive Cooking
- Wilderness Challenge Courses
- Scavenger Hunts
- Outdoor Team Building Games
- Organic Gardening
- And Many Other Activities!

The small ratio of campers to leaders gives your child to the opportunity to explore, connect, and engage in the outdoors at his or her own pace. Campers will also build teamwork and leadership skills through games and challenges, gaining confidence and connectedness with each other and the natural world.

### Wilderness Camp Open House:

On Thursday, May 27<sup>th</sup>, we'll be hosting **Open House for Camp** from 6 – 7:30pm at the **Learning Centre**. Families are invited to come and enjoy some wilderness activities like those we will have at camp. Parents will have the chance to meet *the facilitators*, and inquire further about the programming. We will also have a draw for one participant to win **\$75 off camp!** This is a **free** event, all are welcome, and no sign-up is required.

### The Details:

Camp starts at 9am and ends at 4pm.
