

Volunteer as a Board Member

Connect People of All Ages
with
Nature, Sustainability and Healing

Inspire and Be Inspired !!!

Carp Ridge Learning Centre, a registered charity, is seeking volunteer board members. We are located on 190 acres of beautiful forested land north of Carp with an organic garden plus classroom, kitchen and overnight facilities. We invite you to submit an application to join the board and work with us in developing and sustaining programs for children, youth and adults promoting nature, environmental sustainability and natural healing.

The Board functions as a governance body and a working board. We are looking for passionate people who resonate with the mandate of the charity and can contribute actively to its on-going development.

While specific experience is not required, among the skills and background which would be an asset are:

- strategic planning
- staff management
- organizational development
- policy development
- marketing and advertising
- fundraising
- financial management and controls
- experience with charity accounting rules and regulations
- experience with charity law
- previous experience working with charities or non-profits

Please email a cover letter and resume describing your vision, interests, experience and background to: programs@ecowellness.com .
